

Your benefits as a full member

As a Member of ECHAMP you will profit from a range of benefits. ECHAMP offers you:

Voting rights at Membership Assembly's, the major decision making body of the E.E.I.G.

- Influence on the policy setting process relating to the pharmapolitical activities of the sector of industry as ECHAMP actively tries to improve European regulations as discussed in the different chapters of Pharmaceutical Legislation
- Access to the decision-making process in areas like regulatory affairs, environmental guidelines, legislation affecting animal testing and consultative documents relating to research, manufacturing and more
- An internal information system
- The chance to meet political decision makers via ECHAMP
- Involvement in **Working Parties** and **Subject Groups**
- Benefits from common projects, which might be too expensive for small and medium sized individual companies (e.g. projects on safety and effectiveness)
- A platform to exchange company views and experience
- Participation in events such as **conferences** and **symposya**
- Access to recent internal and historic information via ECHAMP's '**members only**' on the web
